

Notice to Recreation Grounds Users: **Exshaw Ball Diamond and Playground are off-limits for all pets**

Pet waste is not safe or sanitary for users and it is unfair to the volunteers who maintain these Exshaw Community Association facilities to have to clean it up.

We ask that you respect the ball diamond and playground as off-limits for all pets and ensure you are picking up and properly disposing of all pet waste in bear-proof bins elsewhere in the area (Campground, Recreation Grounds and Trails).
