WE NEED YOU!

The Exshaw Community Association (ECA) is looking to fill some roles within the group, as active board members. We need you and your new ideas!

Key roles currently needing to be filled are:

Vice President
Secretary
Recreation Grounds Rentals Coordinator
Community Garden Coordinator

Did you know without the ECA Board of Directors being active - the Exshaw Community could lose ALL its assets? That would mean the Community Hall, Gym, Kitchen, Senior's Lounge, Media Room, Ball Diamond, Campground and Community Garden could all disappear!! Those are only a few reasons to join the board.

Here is a little more about the ECA

- We are trying to continuously look for new, innovative ways to build our association assets and to give back to the Exshaw community.
- We have established new meeting formats to help shorten meeting times and allow even more flexibility in the group.
- We respect each other and what we can each contribute to the group and our community.
- We meet monthly, except for December, July & August (unless there is an emergency).
- Board members report formally on their positions once annually. All other items are discussed as a group and worked on together during monthly meetings.
